3 EASY WAYS TO GIVE YOUR RETIREMENT ALL THE ATTENTION IT DESERVES.

Rolling out the red carpet is all about giving you the high quality service and resources you need to be successful, and we provide it in 3 easy steps:

1. **Meet with a Nationwide Retirement Specialist.** They provide individual attention and answer your questions about deferred comp. And they’re salaried and non-commissioned, too — after all, this is about your retirement, not ours!

2. **Schedule account reviews** at least once per year to help identify where you are, where you’re going, and what steps to take to get there. (HINT: 2012 Contribution Limits are higher than last year’s; how can you make this work for you? Don’t limit yourself — see what you can do!)

3. **Stay connected** through the tools and resources available to you. Workshops, the online Interactive Retirement Planner calculator, Investment Symposia, Retirement Dreaming Fair, and mydcplan.com are just a few of the resources available to you through deferred compensation.

Consider increasing contributions to your County of San Diego deferred comp account

The IRS has confirmed that the maximum contribution limit has been raised to **$17,000 tax deferred**.

Actually, you may be able to contribute **even more**:
